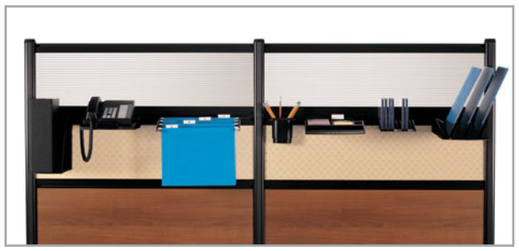
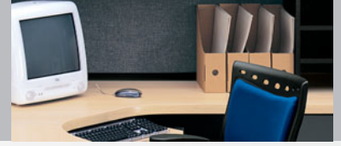
Divide™ Panels
Divide™ surface mounted panels are available in many finishes to create a personalized work environment.

Panel Options
Top: Glazed panel available with ribbed, clear or frosted finish.
Center: Fabric panel
Bottom: Laminate panel



Hanging Rail Accessories
Divide's fabric and glazed panels have built-in rails to accommodate optional off-desk accessories that help organize work station paperwork and everyday office essentials.



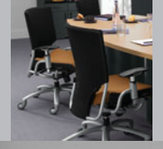
Teamwork gets it done.

Let Global and Correlation bring some real teamwork to the general office area. Correlation's curvilinear worksurfaces and storage components support the flow of people in your office and help you work more comfortably and productively. Choose from a broad selection of storage options, featuring a mixed storage center. Most Correlation products ship assembled, units that ship unassembled incorporate Global's VETA system (Very Easy to Assemble) to make assembly quick and easy.

Shown in Storm Grey (SOG) with Tiger Maple (TMP) worksurfaces and Button Adjust 2000 seating.

Paper Organizer
The optional organizer provides overhead document storage within easy reach and without obstructing the workspace area.

Higher Hutches
Overall 72" height provides additional storage space and accommodates larger computer screens on the worksurface.



Coming together to support the way you work.

Set the tone for executive conferences with Correlation's sophisticated boardroom tables. Correlation features 1½" thick worksurfaces made from thermally fused laminate. Tops and bases can be mixed and matched to accommodate any design requirement. Complementary storage components, serving cart and lecturns will keep presentation equipment readily at hand.
